

GREEN SCREEN: WORKSHOP SERIES 2

Workshop/Event Reminder

Hey, it's [NAME]. We know life gets a little busy, so we wanted to send you a quick reminder about tomorrow's workshop that you registered for. We also know about traffic, so give yourself a little extra time to arrive early. We look forward to seeing you there!

Registered For Workshop / Didn't Attend

Hey, it's [NAME] again. We had a great time at the workshop yesterday, but we noticed you weren't there, and we get it, life happens and things come up. We also know that you registered for a reason and we don't want to leave you stranded with questions unanswered. So here's a few things to consider.

First and probably most important, call us. If you have an urgent question don't hesitate to pick up the phone. Second, check out our website for upcoming events. And lastly, don't forget we at [COMPANY NAME] are here for you.
